Dilly and the InvestiGator Club

By Joellyn Cicciarelli
Illustrated by Drew Rose

**It was in Circle Forest,
that Dilly and JT**

went on a hike with Auntie
to see what they could see.

**They came upon an oak tree.
Its trunk was big and round.**

**It looked just like a giant
stretched up from the ground.**

**"Let's build a tree house!"
said Dilly to JT.**

**So Dilly gathered all her friends
to build one in that tree.**

**It took some time to build it.
But when the house was done,
they'd built a very special place,
a place for lots of fun.**

**Yes, that's our Dilly Gator.
She is grr- grr- GREAT!
She can find and think and make
and do, and investigate!**

**They climbed the tree house ladder.
They turned to look below.**

**There were so many things to see
and places they could go.**

**Then a great idea came
to young Miss Dilly Gator.
What this world could use
is six InvestiGators!**

**"Welcome to our clubhouse,"
said Dilly to her friends.
"We'll learn about this big wide world.
Our mission never ends!"**

**So come and join the club today
with Dilly and JT.
Let's investigate our world.
There's so much here to see!**

**Yes, that's our Dilly Gator.
She is grr- grr- GREAT!
She can find and think and make
and do, and investigate!**
